Family Update

The Lord provided a part time job for Hannah at a little family restaurant in Galva, KS. She seems to handle us being gone better than we handle it.

We dropped the other two girls off at their grandmother's the last day of June, giving Bonnie and I the month of July to ourselves. We will be traveling in Idaho and Oregon as we attend meetings and training at Fort Sherman Academy.

Prayer Requests

- Upcoming training at Fort Sherman Academy
- Remainder of our deputation schedule
- Safety on the road
- Wisdom understanding new visa laws in Vietnam

Training Update

Glory to God! All the needed funds have been promised. Thank you to each church, family and individual that prayed and gave!

July 5th-Felicity's B-day!

TICKETS PURCHASED! - We have set our departure date for the day after thanksgiving. We will fly to California on Monday November 23rd to spend Thanksgiving with Hannah and then on to Vietnam on that Friday. Our support level is at 87%
